Hanna Boys Center (Auditorium)
17000 Arnold Drive, Sonoma, CA 95476

This first concert of the **Valley of the Moon Music Festival** represents the birth of an annual music festival that focuses on the performance—and education—of works by classical composers on period instruments. As Joshua Kosman (San Francisco Chronicle) writes, “If you have a narrow view of Beethoven as a scowling figure, shaking his fist in defiant rage at the heavens, that may be because you’ve been hearing his music on the wrong instruments.”

Wine served at the intermission
is generously provided by the Buena Vista Winery.
